ACKNOWLEDGMENT

The Livestock Sector extends sincere appreciation to the Dzongkhag Administration, Wangduephodrang for its valuable administrative and financial support in implementing livestock activities during 2024–2025. We also thank the Gewog Administrations for their cooperation and facilitation at the local level. We are deeply grateful to the Department of Livestock for their funding support and overall guidance throughout the year. Appreciation is also extended to the Commodity Programs, Central Farms, and all relevant stakeholders. Special thanks go to the Wangduephodrang livestock team for their dedicated efforts and commitment to effective service delivery.

1. BACKGROUND

The Annual Progress Report for 2024/25 presents a concise summary of key developments in livestock population, production, animal health and breeding services in Wangdue Dzongkhag. The report was compiled using data collected from National Statistic Bureau 2025, Gewog Livestock Centers, and daily records maintained by the Dzongkhag.

This report is intended to serve as strategic reference for evidence-based planning, policy formulation and performance review. It also aims to provide a foundation for future assessments and follow-up studies.

2. LIVESTOCK POPULATION
