**Subject: Relaxation on the deadline for filing Asset Declaration (AD) for the reporting year 2019**

Dear Dasho/Sir/Madam,

As you are aware, the annual AD declaration period is from February - March. Under normal circumstances, those who either file late (in May) or do not file/file their AD after May (non-declarants) are levied penalties.

The year 2020 has been extraordinary. Bhutan, like the rest of the global community, is faced with an unprecedented challenge posed by the COVID-19 pandemic. Many public officials are engaged, at different levels and in different capacities, in supporting the national effort in preventing and combating the spread of COVID-19. Others, though not engaged directly, may also be affected either directly or indirectly.

Recognizing the extraordinary time and the difficulty that public officials (declarants) may be facing in filing their AD on time due to their noble engagements, the ACC is pleased to relax the deadline for filing AD for the reporting year 2019. Further, given the uncertainty, the ACC will set a revised deadline for filing AD once the situation becomes normal.

However, the ACC encourages those who have not filed their AD to file as and when possible without waiting for the deadline. Further, the ACC request the agencies to submit the AD Report as scheduled by the 3<sup>rd</sup> week of June 2020.

For any clarification, please contact the Asset Declaration Management Division @ 17267282/17727457 or e-mail at admd@acc.org.bt

Stay safe and healthy,

Yours sincerely,

(Kinley Yangzom)  
Chairperson
