Date: 29/03/2020

**Circular**

In an effort to properly monitor the quarantine facility and in line with the Standard Operating Procedures on quarantine, the Dzongkhag COVID-19 response team would like to serve the following notice to the Sector and Regional Heads for strict compliance.

Sector heads and regional heads to take full responsibility in informing the quarantine team if there is any staff returning from abroad and missed screening and monitoring from border entries. In such case, you may verify if the individuals have stayed in mandatory quarantine which can be verified by having 'Release Certificate' from such quarantine facility elsewhere.

You are also instructed to inform and advice your staff to avoid mass gatherings and non-essential travels to help security personnel properly monitor in a effort to prevent spread of the disease and implement the COVID-19 Prevention and Response Plan.
